“The Fabelmans”

Starring: David Lynch, Michelle Williams, Gabriel LaBelle and Paul Dano.

Released to universal critical acclaim, The Fabelmans is the true story of Steven Spielberg's adolescence and early years as a filmmaker. It received 7 nominations at the Academy Awards, 5 nominations at the Golden Globe Awards, 11 nominations at the Critics Choice Awards and has been cited as one of the best films of the 2020's

“ Possibly the most lavishly mounted home movie ever made”.

“Not many directors could pull off a film like The Fabelmans, Spielberg does it with aplomb”.

“It’s brilliantly narrated, shot and well directed. Spielberg never fails to deliver”.

“Astonishing in almost every category. The type of movie that showcases where the love of film comes from and why movies are so important”.
